Date: 10 JAN 1992

Dear Sir(s)/Madam,

Town and Country Planning Act 1990  
 Town and Country Planning General Development Order 1988 (as amended)  
 Town and Country Planning (Applications) Regulations 1988

Permission for Development

The Council, in pursuance of its powers under the above-mentioned Act and Orders and Regulations made thereunder, hereby permits the development referred to in the undermentioned Schedule subject to the conditions set out therein and in accordance with the plans submitted, save insofar as may otherwise be required by the said conditions.

Your attention is drawn to the Appeal Rights and other information at the end of this letter.

SCHEDULE

Date of Original Application : 11th November 1991

Address : 242 Grafton Road, NW5.

Proposal : Installation of a 1.5m diameter satellite dish on the flat roof of the single storey extension on the Dale Road frontage, as shown on 2 annotated photographs and 2 sketch plans.

Standard Condition:

1. The development hereby permitted must be begun not later than the expiration of five years from the date of this permission.

Reason for Standard Condition:

1. In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990.

Additional Condition(s):

- 01 That the apparatus hereby approved shall be installed entirely in accordance with the submitted plans, and be removed when no longer required or at the expiry of five years from the date of installation, whichever is the sooner.
- 02 That the colour of the proposed microwave antenna shall match as closely as possible the background or the building to which it is attached. The

supporting mount shall be designed to be as unobtrusive as possible, and should be painted the same colour as the antenna.

- 03 No equipment shall be installed which would cause significant interference materially impairing the normal use, effectiveness or enjoyment of electrical apparatus in other premises on a regular or continuing basis.

Reason(s) for Additional Condition(s):

- 01 This permission has been granted on the basis that the apparatus required to provide a service would not otherwise be approved; on the grounds of visual amenity it should be removed when no longer required or within five years.  
02 To reduce the impact on the appearance of the building and local environment.  
03 To protect the amenities of other premises.

Yours faithfully,

Head of Planning, Transport & Employment Services  
(Duly authorised by the Council to sign this document)

STATEMENT OF APPLICANTS RIGHTS ARISING FROM REFUSAL OF PLANNING PERMISSION OR GRANT OF PERMISSION SUBJECT TO CONDITIONS.

Appeals to the Secretary of State.

If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you may appeal to the Secretary of State for the Environment under Section 78 of the Town and Country Planning Act 1990. If you want to appeal then you must do so within six months of the date of this notice, using a form which you can get from the Department of the Environment at Tollgate House, Houlton Street, Bristol BS2 9DJ. The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
