Dear Mr Archer

**Re: Town and Country Planning Act 1990
Planning (Listed Buildings & Conservations Areas) Act 1990
The Flask Public House, 14 Flask Walk, NW3**

I refer to your letter of 15 May 1990 attaching a revised drawing numbered 157/4C, concerning the proposed conservatory extension at the rear of this Listed Grade II public house. Planning permission and listed building consent approval was given on 12 April 1990 (Reference: PL/8804290/R2 & HB/8870606/R2), as shown in proposed drawing number 157/4B.

I am writing to confirm that the Council is treating the amendments shown in your drawing numbered 157/4C, submitted with your 15 May 1990 letter, namely the rear elevation changes of :-

- i. reducing the conservatory windows width on both sides;
- ii. replacing the disabled persons w.c. window glazing by a small window;
- iii. omitting the kitchen window;

as minor amendments to the scheme giving planning permission and listed building consent on 12 April 1990.

Consequently, further applications for planning permission and listed building consent are not required for these minor amendments.

Yours sincerely

B.H. Smith
