Dear Sir,

Town & Country Planning Act 1971

Town & Country Planning (Listed Buildings and Buildings in Conservation Areas) Regulations 1977

Re: Euston Fire Station, Euston Road, NW1

I write with reference to the application dated 29th June 1982 for planning permission and listed building consent for the demolition of the existing drill tower, the erection of a new drill tower, and alterations to the rear boundary. The said building is in the ownership of the Greater London Council, and that Authority has sought your consent for the work and at the same time, has requested that this Council's observations on the proposal be forwarded to you direct.

I have to advise you that this Council raises no objection to the proposed replacement of the drill tower and the alterations to the rear boundary shown on drawing nos. AR/PG4/30259/030/1, AR/PG4/30259/051/1, 30384/SP3, 30384/SP9, 30384/T1 and 30384/L3.

Yours faithfully

Director
Planning and Communications Department
