PLANNING COMMITTEE (AUTHORISED MEMBER - CENTRAL)

8 November 1982

Order for the CONTROLLER OF TRANSPORTATION AND DEVELOPMENT (TD/DP/DC)
(Copy to: TD/A/G; DG/LB/E3; TD/A/PO)

(C129) Euston Fire Station Replacement Drill Tower, Euston Road, Camden (Holborn and St. Pancras South) - Report (4.11.82) by the Controller of Transportation and Development.

AGREED that approval be given to the scheme for the erection of a replacement drill tower of the standard design on land at Euston Fire Station, Euston Road, Camden, as shown on drawing numbers AR/PG4/30259/050 051/1, 30384/SP3, SP9, F.1 and location plan L3 subject to the condition set out below, and this resolution be expressed to be passed for the purposes of Regulation 4(5) of the Town and Country Planning General Regulations 1976.

Condition

The development hereby permitted must be begun not later than the expiration of five years from the date of the planning permission.

Reason

To avoid the accumulation of unexercised planning permission.
