Dear Sirs

Town & Country Planning Acts 1971-74  
St Pancras Station - Steps from the Forecourt to Pancras Road, NW1

I refer to your letter dated 12th August 1983 (and to our earlier discussion) concerning the intention to erect a wrought iron sign at the foot of the steps from Pancras Road as illustrated in drawing number 30413/005.

I have discussed the proposal with the GLC Historic Building Section and confirm that no objection is offered to the amended proposal and I accept your drawing number 30413/005 in part substitution for those approved on 8th November 1982 reference HB2682(R1).

Yours faithfully

Director of Planning & Communications
