I refer to your letter dated 5th September 1972 submitting details of facing materials, elevations, lift motor room and heating chamber on roof, pursuant to Condition 1 of the planning permission dated 4th August 1972. This permitted the erection of a five storey and basement building to be used for industry and ancillary offices with ground floor showrooms.

I have to inform you that the Council hereby approves the above details shown on drawings registered No.14524, Your No.PW/62/20A and 59A revised by letter dated 21st November 1972 omitting the chestnut brown brick.

Yours faithfully,

Director of Planning
