Dear Sir,

Town and Country Planning Acts 1962/68
London Government Act 1963
Foundling Estate - Site 'A' - Brunswick Centre W.C.1.

I refer to your letter dated 30th September 1971 submitting revised details for redevelopment of the Foundling Estate - Site 'A' pursuant to condition (1) of the outline permission dated 7th February 1963.

I have to inform you that the Council hereby disapproves revised detailed plans in respect of the following items as shown on the plans submitted Registered No 12055(B) Year Nos 19201, 19202, 19203, 9010 & 21225.

- (a) Omission of slab link (Grid lines 32-34) between pedestrian terraces at level 'C'.
- (b) Repositioning of public lavatories at north end of scheme (Grid lines 1-2).

Reasons

- (1) It is considered that a reduction in the number of links at level 'C' would seriously reduce the amenity of both the pedestrian terrace and the shopping hall.
- (2) The Council wishes to see the public lavatories retained in that part of the scheme which is already constructed, in order to provide a public amenity.

Informatives

The re-positioning of the public conveniences at upper basement level between grid lines 44-46 and K-L would be considered more favourably by the Council.

Yours faithfully,

Director of Planning
and Communications
