Dear Sir(s) or Madam,

TOWN AND COUNTRY PLANNING ACT 1971
Refusal of permission to develop

The Council, in pursuance of its powers under the above-mentioned Act and Orders made hereunder, hereby refuses to permit the development referred to in the undermentioned Schedule as shown on the plans submitted.

Your attention is drawn to the Statement of Applicant's Rights set out overleaf.

SCHEDULE

Date of application: 24 April 1978

Plans submitted: Reg.No: 26408

Your Nos: -

Address: Burdett Mews Belsize Crescent, NW3

Development:

Continued use of the ground floor for light industrial purposes and offices on the first floor.

Reason for refusal:

1. The continued use of the first floor as offices would be contrary to the Council's policy to arrest the decline in industrial activity in the Borough by preventing its reversion to the former workshop use.
2. It is also considered that the continued use of the first floor as offices would inhibit the use of the ground floor for industrial purposes.

Yours faithfully,

Director
(Duly authorised by the Council to sign this document.)
