REF TO:

Sir

TOWN AND COUNTRY PLANNING ACT 1971: SECTION 54A
CERTIFICATE THAT A BUILDING IS NOT INTENDED TO BE LISTED:
40 BELSIZE GROVE, LONDON NW3

1. I am directed by the Secretary of State to refer to your application of 28 February 1984 concerning the above building.
2. The merits of the building have been considered and the Secretary of State has concluded that it is not of sufficient interest to merit inclusion in a list of buildings of special architectural or historic interest compiled under Section 54 of the Town and Country Planning Act 1971. Accordingly the Secretary of State hereby certifies that he does not intend to list 40 Belsize Grove, London NW3.
3. Under Section 54A(2) of the 1971 Act the effect of this notification is to preclude the Secretary of State from listing the building for the period of five years from the date of issue of this certificate, and to preclude the local planning authority from serving a building preservation notice during that period.
