Dear Sir(s) or Madam,

TOWN AND COUNTRY PLANNING ACT 1971

Permission for development (limited period)

The Council, in pursuance of its powers under the above-mentioned Acts and Orders made thereunder, hereby permits the development referred to in the undermentioned Schedule subject to the conditions set out therein and in accordance with the plans submitted, save insofar as may otherwise be required by the said conditions.

The permission is given subject to due compliance with any local Acts, regulations, building byelaws and general statutory provisions in force in the area and nothing herein shall be regarded as dispensing with such compliance or be deemed to be a consent by the Council thereunder.

Your attention is drawn to (a) the provisions of the London Building Acts 1930-39 and the byelaws in force thereunder which must be complied with to the satisfaction of the District Surveyor, whose address may be obtained from this office and (b) to the Statement of Applicant's Rights set out overleaf.

I would also remind you that the Council's permission does not modify or affect any personal or restricting covenants, easements, etc., applying to or affecting either this land or any other land or the rights of any persons (including the London Borough of Camden) entitled to the benefit thereof or holding an interest in the property concerned in this development or in any adjoining property.

SCHEDULE

Date of application: 28th December, 1972

Plans submitted: Reg. No: 15435

Your Nos:

Development:

The continued use for a further limited period of the ground floor for storage purposes and one room on the first floor for office purposes at 3 Baynes Mews, N.W.3.

Conditions:

1. The limited period for the continuation of the use shall be until 31st March, 1978 by which date the use shall be discontinued and determined.
2. This permission shall be personal to W.J. Clack Esq., during his occupation and shall not enure for the benefit of the land, and is in addition to the authorised use of the premises for garaging and residential purposes.

Reasons for the imposition of conditions:

1. The proposal does not accord with the Initial Development Plan in which the area is zoned for residential purposes and the permanent use as proposed would tend to prevent the ultimate implementation of the Plan.
2. In granting this permission the Council has had regard to the special circumstances of the case and wishes to have the opportunity of exercising control over any subsequent use in the event of W.J. Clack Esq vacating the premises.

Yours faithfully,

Director

(Duly authorised by the Council to sign this document.)

STATEMENT OF APPLICANT'S RIGHTS ARISING FROM THE GRANT OF PERMISSION SUBJECT TO CONDITIONS

(1) If the applicant is aggrieved by the decision of the local planning authority to grant permission or approval subject to conditions, he may appeal to and on a form obtainable from the Secretary of State, Department of the Environment, Whitehall, London, SW1, in accordance with section 36 of the Town and Country Planning Act 1971 within six months of receipt of this notice. The Secretary of State has power to allow a longer period for the giving of a notice of appeal but he will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State is not required to entertain an appeal if it appears to him that permission for the proposed development could not have been so granted otherwise than subject to the conditions imposed by the local planning authority having regard to the statutory requirements, to the provisions of the development order, and to any directions given under the order. (The statutory requirements include Sections 67 and 74 of the Act.)

(2) If permission to develop land is granted subject to conditions, whether by the local planning authority or by the Secretary of State, and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the Common Council, or on the Council of the county borough, London borough or county district in which the land is situated, as the case may be, a purchase notice requiring that council to purchase his interests in the land in accordance with the provisions of Part IX of the Act.

(3) In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in Section 169 of the Act.
