The Council has considered your application and decided to grant permission subject to the following conditions:

Standard condition:

The development hereby permitted must be begun not later than the expiration of five years from the date of this permission.

Standard Reason:

In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990.

Additional conditions:

- 1 Details of the design of building foundations and the layout, with dimensions and levels, of service trenches and other excavations on site insofar as these items may affect trees on or adjoining the site, shall be submitted to and approved by the Council as the local Planning Authority before any works on site are commenced.

- 2 Details of the proposed windows and surrounds shall be submitted to and approved by the Council before any work on the site is commenced.

Reasons for additional conditions:

- 1 To ensure that the Council may be satisfied that the development will not have an adverse effect on existing trees and in order to maintain the character and amenities of the area.
- 2 To ensure that the Council may be satisfied with the external appearance of the building.

Informatives (if applicable)

- 1 Works of construction and ancillary activity should not take place other than between the hours of 8am to 6pm on Monday to Friday and 8am to 1pm on Saturday, with no working on Sunday or Bank Holidays, in order to comply with locally enforced standards.
