

Although every effort has been made to confirm type, run and size of drainage it is advisable to check these details against statutory authority records before proceeding with any design.

Although every effort has been made to confirm species of trees shown on this drawing if it is critical to design we do not accept responsibility for any errors and advise consultation with an arboriculturalist.

Rev: Notes: Date

LEGEND

when viewing individual floors please ensure that all layers beginning "C" are turned on & thawed, as well as the relevant floor prefix, e.g. "1*" for first floor
