i've been going for years tupello honey has delicious home-cooked style food that was reliably tasty and nutritious..
It used to be served by chilled, fun or interesting people, that did a good job, but in the last 6-12 months nad i have been many toimes its progressively gotten worse many of the staff are careless, in attention to customers and food preparation, i've even been treated rudely and seen other customers being treated rudely (red haired insecure looking waiter) its a big shame but the atmosphre has reallytaken a dive, and so ha the food, i'm no longer the happy customer i was.

Excellent! The cakes are home made and very good, not too sweet, quite innovative: chestnut, chocolate, fig, just to name a few of the favorites. The food, the wine, the atmosphere, very calm and enjoyable. I go there very often. I strongly recommend it!

The Tupelo Honey was absolutely awful and totally over-rated. The staff are extremely rude and pretentious. The waiting time is absurd. There are so many lovely places in the area but this is not one of them, do not waste your time at Tupelo Honey!
