Dear Darlene

**Proposed erection of a rear roof extension  
by enclosing the existing rear roof terrace at  
2<sup>nd</sup> floor flat, 27 Greencroft Gardens, London NW6 3LN  
ref 2014/2141/invalid**

Please find attached copies of drawings and application form as emailed to you on 9<sup>th</sup> April 2014.

As you will note from the Cc bar on the email copies were sent to David Jones and myself. These were both successfully received immediately. I find it incomprehensible that the file sizes were too large to be received by Camden Council.

Perhaps you would care to investigate.

In the meantime, I would be grateful if you were to expedite the application as the client has already been waiting two months.

I thank you for your time and trouble

Yours sincerely

Rob Beynon
