The Council (as local planning authority) has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy CS14 of the London Borough of Camden Local Development Framework Core Strategy and policy DP24 and DP25 of the London Borough of Camden Local Development Framework Development Policies.

- 3 The development hereby permitted shall be carried out in accordance with the following approved plans Site location plan, block plan, 5241-L(0)015, 5241-L(0)020, 5241-L(0)025, 5241-L(0)030, 5241-L(0)035, 5241-L(0)300, 5241-L(0)305, 5241-L(0)200, 5241-L(0)205, 5241-L(0)310, 5241-L(0)005 REV A, 5241-L(2)005 REV C, 5241-L(2)010 REV D, 5241-L(2)015 REV E, 5241-L(2)020 REV E, 5241-L(2)025 REV G, 5241-L(2)030 REV G, 5241-L(2)035 REV B, 5241-L(2)200 REV C, 5241-L(2)300 REV D, 5241-L(2)305 REV C, 5241-L(2)310 REV E.

Reason: For the avoidance of doubt and in the interest of proper planning.

- 4 \* Car-free

Prior to first occupation of the residential dwellings (being part of the development hereby approved), the landowner would ensure through agreement that the occupiers are informed of the local planning authority's policy that they shall not be entitled (unless they are the holder of a disabled person's badge issued pursuant to s. 21 of the Chronically Sick and Disabled Persons Act 1970) to be granted a Residents Parking Permit to park a vehicle in a residents parking bay; shall not be able to buy a contract permanently to park within any car park owned, controlled or licensed by the Council nor shall they be entitled to be granted a Business Parking Permit.

Reason: In order to ensure that the development does not contribute to increased car use and parking congestion in accordance with the requirements of policies CS11 (Promoting sustainable and efficient travel) and CS19 (Delivering and monitoring the Core Strategy) of the London Borough of Camden Local Development Framework Core Strategy and policies DP18 (Parking standards and the availability of car parking) and DP19 (Managing the impact of parking) of the London Borough of Camden Local Development Framework Development Policies.

- 5 \*Need for a legal agreement

No works shall be commenced on site until such time as any owners of the land with the legal locus to enter into a Section 106 Agreement have entered into such an Agreement incorporating obligations in respect of the matters covered by

planning condition 4 above (Car free and marked\*).

Reason: In order to define the permission and to secure development in accordance with policy C19 of the London Borough of Camden Local Development Framework Core Strategy.

Informative(s):

- 1 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts which cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Argyle Street WC1H 8EQ, (tel: 020-7974 6941).
- 2 Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You are advised to consult the Council's Compliance and Enforcement team [Regulatory Services], Camden Town Hall, Argyle Street, WC1H 8EQ (Tel. No. 020 7974 4444 or on the website <http://www.camden.gov.uk/ccm/content/contacts/council-contacts/environment/contact-the-environmental-health-team.en> or seek prior approval under Section 61 of the Act if you anticipate any difficulty in carrying out construction other than within the hours stated above.
- 3 If a revision to the postal address becomes necessary as a result of this development, application under Part 2 of the London Building Acts (Amendment) Act 1939 should be made to the Camden Contact Centre on Tel: 020 7974 4444 or Environment Department (Street Naming & Numbering) Camden Town Hall, Argyle Street, WC1H 8EQ.
- 4 You are reminded of the need to provide adequate space for internal and external storage for waste and recyclables. For further information contact Council's Environment Services (Waste) on 020 7974 6914/5 or see the website <http://www.camden.gov.uk/ccm/content/environment/waste-and-recycling/twocolumn/new-recycling-rubbish-and-reuse-guide.en>.
- 5 You are reminded that this decision only grants permission for permanent residential accommodation (Class C3). Any alternative use of the residential units for temporary accommodation, i.e. for periods of less than 90 days for tourist or short term lets etc, would constitute a material change of use and would require a further grant of planning permission.
- 6 You are advised that this proposal will be liable for the Mayor of London's Community Infrastructure Levy (CIL) as the additional floorspace exceeds 100sqm GIA or one unit of residential accommodation. Based on the Mayor's CIL charging schedule and the information given on the plans, the charge is likely to be £3,500 (70sqm x £50). This amount is an estimate based on the information submitted in

your planning application. The liable amount may be revised on the receipt of the Additional Information Requirement Form or other changing circumstances.

- 7 The matters covered by condition 4 (also marked with an \*) are matters which would usually be incorporated into a Section 106 Agreement. On Council own schemes because the Council cannot enter into an agreement with itself the usual practice would for the permission to reference the Section 106 requirements for information. If the Council retains ownership of the application site although the reference to Section 106 requirements would not be legally binding they would act as a record of the requirements the Council as planning authority expects the Council as landowner to comply with. If the Council disposes of an interest in the Application Site the incoming owner will be required to enter into a Section 106 giving effect to those requirements which will then become a legally binding document. This reflects the terms of condition 5 on the planning permission.
  
- 8 In the absence of a Section 106 agreement securing the matters covered by condition 4 above, the Department of Planning and Public Protection requires an unequivocal written statement from the Assistant Director of for Housing and Adult Social Care confirming that it will comply with the matters set out in condition 4 (as provided in the Council's standard s106 obligations on these matters) and that it will not dispose of any of its interest in the land without first ensuring that any new owner simultaneously executes a Section 106 agreement securing any relevant matters covered by condition 4 which are outstanding or ongoing.

In dealing with the application, the Council (as local planning authority) has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.
