2014/2517/P	Janine Griffis	14 Denning Road NW3 1SU	04/06/2014 16:38:18	OBJ	On behalf of the Pilgrim's to Willoughby Residents Association, I object to this application for the following reason: the property already enjoys a large terrace and creation of a second terrace would not serve to add to the property's "current optimum use as a well-appointed residential flat", as stated by the Appeals Inspector in his decision on APP/X5210/A/13/2195082. The plan still proposes partial wooden screening, which the Inspector also found objectionable.
