Dear Mr Le Mare,

Further to the above referenced planning application we would like to offer the following pursuant toward discharging planning conditions 8a & 8c.

We offer the following submissions:

- Timber sash and casement windows. Please refer to detailed drawing numbers LW-2690-14 Casement Window and drawing LW-2690-01 Sash Window, enclosed and sample forms 0416-SS-0006 & 0416-SS-0007.
- Aluminium windows to the north and west elevations. Please refer to enclosed detailed drawing numbers E2419-SK22 and E2419-SK24 and sample forms 0416-SS-0013 & 0416-SS-0014.
- Louvre sample to accompany various installations of the aluminium windows to the north & west elevations. Refer to enclosed sample form 0416-SS-0020.
- Vitrabond rainscreen cladding sample to be applied to the link bridge. Refer to enclosed sample form 0416-SS-0017.
- The specified shingle finish to the new mansard roofs at 4<sup>th</sup> & 5<sup>th</sup> floor levels. Refer to enclosed sample approval form 0416-SS-0012.
- Pre-cast stone sills to various window apertures to the north and west elevations. Refer to enclosed sample approval form 0416-SS-0008.
- Brick samples to match the original Victorian heritage bricks and the 1980's brick facades. Refer to enclosed sample forms 0416-SS-0018 & 0416-SS-0019.

All of the above samples have been approved by our architect and client.

We also enclose for ease of reference the general elevation drawings to provide you with a context for the above items. (Orms drawings 1966-GE01 / GE02 / GE03 / GE04), and Orms drawing 1966-CL100.

As part of our submission we also invite you to inspect the physical samples of each of the above on site at your earliest opportunity. You'll appreciate that due to their size it is not practical to courier them to Camden Council's offices.

Further submissions towards the discharge of the above conditions will follow in due course.

Regards,
