Project | Dishoom – Kings Cross

Date | April 2014

Product | TyrellLED Down Light

Area | Ground Floor

**Description/Notes**

The Light Corporation's dedicated LED downlight, the TyrellLED encompasses all of our design know-how and couples it with super efficient LED's for a downlight that provides exceptional performance with unrivalled build quality.

Further to that we will be incorporating LuxiTune into the TyrellLED, Luxitune is the only single-emitter white light engine designed to provide consistent, true color as it dims from bright midday light to the warmer, softer tones of evening. For all downlighting and accenting needs where ambience is paramount, LuxiTune light engines deliver superior light quality and beam control - all with simplicity in installation and energy-efficiency demanded in today's green environment.

Product: Tyrell LED LED Recessed Directional Downlight
Code: D6638 000
Lamp: 500mA 10.3w 7 x Cree XPE LED chips
Cutout: 85 Ø
Finish: TBC
Accessories: 18W 500mA Mains Dimmable Driver
Efficacies: 10.3w@500ma 758Lum 73.5lum/watt

Product | Reclaimed Factory Pendants

**Description/Notes**

In the early 20th Century enamel shades like the classic 'Coolicon' took over took over our factories and workshops. Timeless downlights like these were found in every workplace.

A collection of reclaimed shades to be suspended over tables and along the walkway in front of the main window in a linear arrangement. As if they had always been there. Suspended using chains and housing leading LED lamps to achieve great efficiency and meet current regulations.

Product: Reclaimed Factory Pendants
Code: X3540 000
Lamp: Decorative Lamps 60w
Cutout: Ceiling suspended
Finish: TBC
Accessories: N/A
Efficacies:

Date | April 2014

Product | Opaline Globe Pendants

**Description/Notes**

Opaline globes, of an age similar to that of the enamel shade. The opal glass globes shown above in a 1930's department store. Varying shapes and sizes were used throughout high end establishments.

We are proposing to suspend these in three rows through the centre of the dining area on the ground floor. These will create a good coverage of light. To meet requirements we will look to house an LED light source within these.

Product: Opaline Globe Pendants
Code: X3541 000
Lamp: Clear GLS 60w
Cutout: Ceiling suspended
Finish: TBC
Accessories: N/A
Efficacies:
