Dear Sir/Madam,

GROUND FLOOR FLAT, 8 LINDFIELD GARDENS

We are instructed by our client, Mr Gillerman, to submit an application for development described as:

"Basement extension and ground floor rear extension with planting area at 8 Lindfield Gardens".

Accordingly we enclose requisite copies of each of the following:

- This covering letter dated 28th May, 2014;
- Planning application form;
- Plans prepared by Canaway Fleming architects (on disc);
- DAS prepared by Canaway Fleming architects (on disc);
- Arboricultural impact assessment prepared by Wassells arboricultural services (on disc);
- Basement impact assessment prepared by Elliott Wood (on disc);
- Planning supporting statement, to include statement of significance, prepared by Collins & Coward (on disc).

This application follows the refusal of application 2013/4006/P on the 23rd August 2013 and is therefore exempt from the payment of a further planning fee.

Ian Coward from these offices is dealing with this matter.

Yours faithfully

Collins & Coward
