2013/6674/P	Nick Bradfield	Flat 3 36 Dartmouth Park Road NW5 1SX	13/05/2014 11:53:05	SUPC	The application is a great improvement on past applications. However it will still result in a harder enviroment than that at present. The second floor flats should be set back as far as possible to minimize the bulk and provide the residents with viable terraces. Two metres is suggested. Every effort should be made to replicate the "1920s" feel of this part of Swains Lane.
