2014/1910/P	Tom Swayne	Flat 1 6 Primrose Gardens NW3 4TN	24/04/2014 11:58:31	COMMNT	Can you confirm that this new construction will not be visible from the rear raised ground floor of 6 Primrose Gardens? My outlook is currently leafy and traditional Belsize. I'm concerned that it will change the feel of the conservation area and view from my flat (at the moment I can see the flat roof and people on it). If it's not visible then of course no problem.
