2014/2285/P	Lucy Findlay	45 Compayne Gardens	01/05/2014 23:04:48	OBJ	I would like to strenuously object to the proposal to replace the existing front garden walls with metal railings and a large metal gate. These are not in keeping with the area or the street and will have a detrimental visual impact. The proposal for the large front garden light wells will also result in loss of two large sections of the front garden which is not in keeping with the Gardens area or conservation area.
