2014/2619/P	Mike Goldberg	6 Village Mount	08/05/2014 09:42:25	APP	I am concerned that the integrity of the wall to which my apartment is part of will be damaged. Village Mount building should be listed and its red brick is distinctive when walking through perrins Court. I think but am not sure that this extension being applied for will cover these bricks and damage the side of this building
