2014/2811/P	Mark Ramsden	Top Flat 61 Lancaster Grove London NW3 4HD	10/05/2014 18:13:06	OBJ	I object to the proposal for three reasons. First, it's too high and would be taller than other properties on the street. Second, the basement excavations would threaten nearby trees, drainage systems and properties. Third, the design is a poor pastiche and not in keeping with a conservation area or a nearby listed building.
