i have just been looking at the planning application for this block and whilst looking through the forms and designs i spotted an error in the cil form. it says number 3 is occupied but as far as i am aware it is part of the indian restaurant that had a fire and has been empty for years and is connected to 1 and 109 highgate west hill which is correctly described as empty. i have sent this to you as i do not know who else to send it to. one would have thought the submitter would have know which properties are occupied or empty. it is possible that 3 may relate to another property and not the burnt out restaurant.

IF POSSIBLE PLEASE PROVIDE A PHOTO
