2013/8038/P	Dr Linda COOPER	11 Mourne House 11 Maresfield Gardens 11 Mourne House NW3 5SL	14/01/2014 15:38:12	OBJ	I oppose this application as it will create a new pavement crossover, with the risks to road and pavement users associated with such a parking arrangement. It will be at odds with the impeccable restoration made to date to the building at 4 Maresfield Gdns and it will remove garden wall and the front garden, an effect which will be detrimental to the Conservation Area.
2013/8038/P	Mr Stephen V Williams Netherhall Neighbourhood Association	Little House A, 16A Maresfield Gardens Little House A, 16A Maresfield Gardens NW3 5SU	10/01/2014 11:45:17	OBJ	The Netherhall Neighbourhood Association oppose the introduction of an off road car parking space at 4 Maresfield Gardens as it will create a new pavement crossover, removal of garden wall and the loss of front garden which will be detrimental to the Conservation Area. We note that no plans are shown by Camden for this application. The current restoration of the House at No 4 and its external areas including the rebuilt new front garden wall has been exemplary and it is unfortunate that such a benefit to the Conservation Area is now placed at risk by this application.
