2014/1866/P	Prof. Catherine Hezser	98 Saxon Court 5 York Way London N1C 4AN	11/04/2014 12:19:09	COMMNT	This project is absolutely fantastic: it increases the attraction of the entire Kings Cross area for residents and visitors alike. It will also set an example for other UK redevelopments in providing the first public self-sustained swimming pond. The landscaping aspects fit in well with the already existing skip garden. I am very much in favour of this project going ahead.
