I.

Location: Russell Square
Postcode: WC1B 4JA
Site owner: Camden Council

Details:
Space in centre circle for benches
Other locations could be near cafe and on some of the pathways
Good access and lots of hard ground
Also very wide walkways

2.

Location: Tavistock Square
Postcode: WC1H 9BQ
Site owner: Camden Council

Details:
Good access and plenty of hard standing space
Existing benches are set in niches of hard ground, perhaps these could be used?
Semi-circle area provides great location, but could be in use for other things

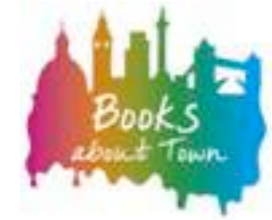

3.

Location: Gordon Square
Postcode: WC1H 0PQ
Site owner: Camden Council

Details:
Good access for forklift
Space on pathways for benches, especially where they curve

4.

Location: Red Lion Square
Postcode: WC1R 4HQ
Site owner: Camden Council

Details:
Room on pathways
Space by cafe which would work well for a bench
Access for forklift on pathways

5.

Location: Woburn Walk
Postcode: WC1H 0JE
Site owner: Camden Council

Details:
Dickensian looking shop fronts
Space along the middle for benches to be positioned (consideration to be given for drains?)
Also possible space on pavement on corner
Road access for forklift

6.

Location: Byng Place
Postcode: WC1E 7JJ
Site owner: Camden Council

Details:
Market held here on Thursdays
Space to outskirts for benches to be positioned
Existing street furniture
Road access for forklift

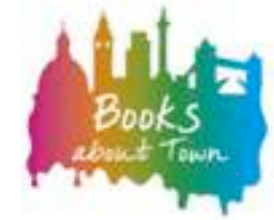

7.

Location: Bloomsbury Square Gardens
Postcode: WC1A 2RJ
Site owner: Camden Council

Details:
Very busy road crossings surrounding parks
Plenty of space in central areas
Children's play area
Access for forklift

8.

Location: St George's Square Garden
Postcode: WC1N 1AB
Site owner: Camden Council

Details:
Would need to double check forklift access
Lots of space and interesting things to look at
Small areas to the side of the gardens which could host benches

9.

Location: Queens Square
Postcode: WC1N 3AT
Site owner: Camden Council

Details:
Access for forklift
Possibly space on centre pathway which is widest
Open until 6pm

10.

Location: Argyle Square Garden
Postcode: WC1H 8AS
