Dear Mr Tulloch

### **TOWN & COUNTRY PLANNING ACT 1990 (AS AMENDED) NATIONAL PLANNING POLICY FRAMEWORK 2012**

#### **1A Well Road**

*Excavation to create basement extension.*

#### **Recommend No Archaeological Requirement**

Thank you for your consultation dated 27 March 2014.

The Greater London Archaeological Advisory Service (GLAAS) provides archaeological advice to boroughs in accordance with the National Planning Policy Framework and GLAAS Charter.

Having considered the proposals with reference to information held in the Greater London Historic Environment Record and/or made available in connection with this application, I conclude that the proposal is unlikely to have a significant effect on heritage assets of archaeological interest.

Although within an Archaeological Priority Area the development is too small-scale to have significant impact in this location.

No further assessment or conditions are therefore necessary.

Please note that this response relates solely to archaeological considerations. If necessary my Historic Buildings and Areas colleagues should be consulted separately regarding statutory matters.

Yours sincerely
