2014/1866/P	mirjana marjanovic	81 saxon court 5 york way n1c 4an	14/04/2014 10:02:18	OBJ	<p>Dear Sir/Madam</p> <p>As resident of Saxon Court I strongly object to the proposed bathing pond and landscaping in the close proximity of the residential block. I believe that the introduction of outdoor leisure area will have significant impact on the quality of living in the residential neighborhood.</p> <p>Considering that bathing pond will be open to general public from 7.45 am on a daily basis I believe that it will considerably increase noise levels. In the summer, residents of Saxon Court heavily rely on natural ventilation provided by opening windows due to insufficient ventilation from mechanical ventilation with heat recovery installed in within the building. If the noise levels increase we will be heavily affected by not being able to open our windows.</p> <p>An additional concern is that the still water the breeding grounds for various insects that will be a nuisance for local residents.</p> <p>I would appreciate if you can take into account my objections and notify me of any further development regarding this planning application.</p> <p>Regards</p> <p>Mirjana Marjanovic</p>
