

View from Street level

View from Street level, looking up, but zoomed in and looking towards right hand side gable end

Glass Extension wall would be here.

View looking rearwards across space where proposed extension will infill with glass.

View showing distance of proposed extension from front of buildings existing roof line. (see railings to the left) Note Arrow shows where extension wall would meet Gable End.

Drawings indicate design intent only.

All dimensions in millimetres unless otherwise stated.

All dimensions are to be confirmed on site by the contractors.
