Date of consultation: 07 March 2014

Proposal: Two storey rear extensions, first floor side extensions, installation of three dormer windows to the front elevation and one to the rear elevation, conversion of garage into habitable use and alterations to openings

Comments:  OBJECT  NO OBJECTION  COMMENT

(Please tick as appropriate)

We consider this large rear extension on plan and in volume/section is out of character with the CA.

There are elements of the enlarged bedrooms which might be seen as potential self-contained apartments although possibly not properly arranged as such -
