The frame is composed of several horizontal and vertical members, some of which are hatched to indicate specific materials. The glass unit is held in place by a glazing bar. Drawing E, titled 'PROPOSED TYPICAL GLAZING BAR', is a detailed cross-section of the glazing bar. It shows a rectangular bar with two circular holes, likely for screws or bolts, used to secure the glass in the frame. The bar is shown in a hatched pattern, indicating its material composition. Both drawings are labeled with 'P09 1:20A1'.

- (b) if it ends earlier, the period of six months beginning with the date on which a copy of the notice was sent to the Secretary of State.
- (6) The relevant period does not run if the Secretary of State has before him at the same time both—
 - (a) a copy of the listed building purchase notice sent to him under section 33(4); and
 - (b) a notice of appeal under section 20 or section 39 relating to any of the land to which the listed building purchase notice relates.
- (7) Where any decision by the Secretary of State to confirm or not to confirm a listed building purchase notice (including any decision to confirm the notice only in respect of part of the land, or to give any direction as to the granting of listed building consent or planning permission) is quashed under section 63, the notice shall be treated as cancelled but the owner may serve a further notice in its place.
- (8) For the purposes of determining whether such a further notice has been served within the period prescribed for the service of listed building purchase notices, the decision concerning listed building consent on account of which the notice has been served shall be treated as having been made on the date on which the Secretary of State's decision was quashed.

NOTES

Commencement: 24 August 1990.

37. Reduction of compensation on acquisition where s 28 compensation payable

Where compensation is payable under section 28 in respect of expenditure incurred in carrying out any works to a building, any compensation which then becomes payable in respect of the acquisition of an interest in the land in pursuance of a listed building purchase notice shall be reduced by an amount equal to the value of those works.

NOTES

Commencement: 24 August 1990.

CHAPTER IV
ENFORCEMENT

38. Power to issue listed building enforcement notice

- (1) Where it appears to the local planning authority—
 - (a) that any works have been or are being executed to a listed building in their area; and
 - (b) that the works are such as to involve a contravention of section 9(1) or (2),they may, if they consider it expedient to do so having regard to the effect of the works on the character of the building as one of special architectural or historic interest, issue a notice under this section (in this Act referred to as a "listed building enforcement notice").
- (2) A listed building enforcement notice shall specify the alleged contravention and require such steps as may be specified in the notice to be taken . . . —
 - (a) for restoring the building to its former state; or
 - (b) if the authority consider that such restoration would not be reasonably practicable or would be undesirable, for executing such further works

- specified in the notice as they consider necessary to alleviate the effect of the works which were carried out without listed building consent; or
- (c) for bringing the building to the state in which it would have been if the terms and conditions of any listed building consent which has been granted for the works had been complied with.

[(3) A listed building enforcement notice—

- (a) shall specify the date on which it is to take effect and, subject to sections 39(3) and 65(3A), shall take effect on that date, and
- (b) shall specify the period within which any steps are required to be taken and may specify different periods for different steps,

and, where different periods apply to different steps, references in this Part to the period for compliance with a listed building enforcement notice, in relation to any step, are to the period within which the step is required to be taken.]

(4) A copy of a listed building enforcement notice shall be served, not later than 28 days after the date of its issue and not later than 28 days before the [date specified in it as the date on which it is to take effect]—

- (a) on the owner and on the occupier of the building to which it relates; and
- (b) on any other person having an interest in that building which in the opinion of the authority is materially affected by the notice.

[(5) The local planning authority may—

- (a) withdraw a listed building enforcement notice (without prejudice to their power to issue another); or
- (b) waive or relax any requirement of such a notice and, in particular, may extend the period specified in accordance with section 38(3),

and the powers conferred by this subsection may be exercised whether or not the notice has taken effect.

(6) The local planning authority shall, immediately after exercising the powers conferred by subsection (5), give notice of the exercise to every person who has been served with a copy of the listed building enforcement notice or would, if the notice were re-issued, be served with a copy of it.]

(7) Where a listed building enforcement notice imposes any such requirement as is mentioned in subsection (2)(b), listed building consent shall be deemed to be granted for any works of demolition, alteration or extension of the building executed as a result of compliance with the notice.

[406]

NOTES

Commencement: 24 August 1990 (sub-s (1), (2), (4), (7)); 2 January 1991 (sub-s (3), (5), (6))
Words omitted from sub-s (2) repealed, sub-s (3), (5), (6) and words in square brackets in sub-s (1) substituted, by the Planning and Compensation Act 1991, ss 25, 84(6), Sch 3, Pt I, para 2, Pt II, para 1, Sch 19, Pt I.

39. Appeal against listed building enforcement notice

(1) A person having an interest in the building to which a listed building enforcement notice relates or a relevant occupier may appeal to the Secretary of State against the notice on any of the following grounds—

- (a) that the building is not of special architectural or historic interest;
- [(b) that the matters alleged to constitute a contravention of section 9(1) or (2) have not occurred;
- (c) that those matters (if they occurred) do not constitute such a contravention.]

2

- (d) that works to the building were urgently necessary in the interests of safety or health or for the preservation of the building, that it was not practicable to secure safety or health or, as the case may be, the preservation of the building by works of repair or works for affording temporary support or shelter, and that the works carried out were limited to the minimum measures immediately necessary;
 - (e) that listed building consent ought to be granted for the works, or that any relevant condition of such consent which has been granted ought to be discharged, or different conditions substituted;
 - (f) that copies of the notice were not served as required by section 38(4);
 - (g) except in relation to such a requirement as is mentioned in section 38(2)(b) or (c), that the requirements of the notice exceed what is necessary for restoring the building to its condition before the works were carried out;
 - (h) that the period specified in the notice as the period within which any step required by the notice is to be taken falls short of what should reasonably be allowed;
 - (i) that the steps required by the notice for the purpose of restoring the character of the building to its former state would not serve that purpose;
 - (j) that steps required to be taken by virtue of section 38(2)(b) exceed what is necessary to alleviate the effect of the works executed to the building;
 - (k) that steps required to be taken by virtue of section 38(2)(c) exceed what is necessary to bring the building to the state in which it would have been if the terms and conditions of the listed building consent had been complied with.
- (2) An appeal under this section shall be made either—
- (a) by giving written notice of the appeal to the Secretary of State before the date specified in the listed building enforcement notice as the date on which it is to take effect; or
 - (b) by sending such notice to him in a properly addressed and prepaid letter posted to him at such time that, in the ordinary course of post, it would be delivered to him before that date.]
- (3) Where such an appeal is brought the listed building enforcement notice shall [subject to any order under section 65(3A)] be of no effect pending the final determination or the withdrawal of the appeal.
- (4) A person who gives notice of appeal under this section shall submit to the Secretary of State, either when giving the notice or within such time as may be prescribed, a statement in writing—
- (a) specifying the grounds on which he is appealing against the listed building enforcement notice; and
 - (b) giving such further information as may be prescribed.
- (5) If, where more than one ground is specified in the statement, the appellant does not give information required under subsection (4)(b) in relation to each of those grounds within the prescribed time, the Secretary of State may determine the appeal without considering any ground as to which the appellant has failed to give such information within that time.
- (6) Where any person has appealed to the Secretary of State under this section against a notice, no person shall be entitled, in any other proceedings instituted after the making of the appeal, to claim that the notice was not duly served on the person who appealed.
- (7) In this section "relevant occupier" means a person who—

③

- (a) on the date on which the listed building enforcement notice is issued occupies the building to which the notice relates by virtue of a licence . . . ; and
- (b) continues so to occupy the building when the appeal is brought. [407]

NOTES

Commencement: 24 August 1990 (sub-s (1), (3)-(7)); 2 January 1992 (sub-s (2)).

Sub-s (1)(b), (c), (2) substituted, words in square brackets in sub-s (3) inserted, and words omitted from sub-s (7) repealed, by the Planning and Compensation Act 1991, ss 25, 84(6), Sch 3, Pt I, para 3, Pt II, para 20, Sch 19, Pt I.

40. Appeals: supplementary provisions

(1) The Secretary of State may by regulations prescribe the procedure which is to be followed on appeals under section 39, and in particular, but without prejudice to the generality of this subsection may—

- (a) require the local planning authority to submit, within such time as may be prescribed, a statement indicating the submissions which they propose to put forward on the appeal;
- (b) specify the matters to be included in such a statement;
- (c) require the authority or the appellant to give such notice of such an appeal as may be prescribed, being notice which in the opinion of the Secretary of State is likely to bring the appeal to the attention of persons in the locality in which the building in question is situated;
- (d) require the authority to send to the Secretary of State, within such period from the date of the bringing of the appeal as may be prescribed, a copy of the enforcement notice and a list of the persons served with copies of it.

(2) Subject to section 41(4), the Secretary of State shall, if either the appellant or the local planning authority so wish, give each of them an opportunity of appearing before and being heard by a person appointed by the Secretary of State for the purpose.

(3) Schedule 3 applies to appeals under section 39. [408]

NOTES

Commencement: 24 August 1990.

41. Determination of appeals under s 39

[(1) On an appeal under section 39 the Secretary of State may—

- (a) correct any defect, error or misdescription in the listed building enforcement notice; or
- (b) vary the terms of the listed building enforcement notice,

if he is satisfied that the correction or variation will not cause injustice to the appellant or the local planning authority.

(2) Where the Secretary of State determines to allow the appeal, he may quash the notice.

(2A) The Secretary of State shall give any directions necessary to give effect to his determination on the appeal.]

(3) The Secretary of State—

- (a) may dismiss such an appeal if the appellant fails to comply with section 39(4) within the prescribed time; and

④

- (b) may allow such an appeal and quash the listed building enforcement notice if the local planning authority fail to comply within the prescribed period with any requirement imposed by regulations made by virtue of section 40(1)(a), (b) or (d).
- (4) If the Secretary of State proposes to dismiss an appeal under paragraph (a) of subsection (3) or to allow an appeal and quash the listed building enforcement notice under paragraph (b) of that subsection he need not comply with section 40(2).
- (5) Where it would otherwise be a ground for determining an appeal in favour of the appellant that a person required to be served with a copy of the listed building enforcement notice was not served, the Secretary of State may disregard that fact if neither the appellant nor that person has been substantially prejudiced by the failure to serve him.
- (6) On the determination of an appeal the Secretary of State may—
 - (a) grant listed building consent for the works to which the listed building enforcement notice relates or for part only of those works;
 - (b) discharge any condition or limitation subject to which listed building consent was granted and substitute any other condition, whether more or less onerous;
 - (c) if he thinks fit, exercise his power under section 1 to amend any list compiled or approved under that section by removing from it the building to which the appeal relates.
- (7) Any listed building consent granted by the Secretary of State under subsection (6) shall be treated as granted on an application for the same consent under section 10 and the Secretary of State's decision in relation to the grant shall be final.
- [(8) Subsection (5) of section 250 of the Local Government Act 1972 (which authorises a Minister holding an inquiry under that section to make orders with respect to the costs of the parties) shall apply in relation to any proceedings before the Secretary of State on an appeal under section 39 as if those proceedings were an inquiry held by the Secretary of State under section 250.] [409]

NOTES

Commencement: 24 August 1990 (sub-s (3)-(7), sub-s (8) (for effect see annotations)); 2 January 1992 (sub-s (1), (2), (2A)).
 Sub-s (1), (2), (2A) substituted for sub-s (1), (2) by the Planning and Compensation Act 1991, s 25, Sch 3, Pt 1, para 4.
 Sub-s (8): temporarily added by the Planning (Consequential Provisions) Act 1990, s 6, Sch 4, paras 1, 9 until such day as may be appointed by the Secretary of State. The Planning (Consequential Provisions) Act 1990 (Appointed Day No 1 and Transitional Provisions) Order 1991, SI 1991/2698, appointed 2 January 1992 only for the purposes of awards of costs in relation to proceedings which give rise to a hearing.

42. Execution of works required by listed building enforcement notice

- (1) If any of the steps specified in the listed building enforcement notice have not been taken within the [period for compliance with the notice], the authority may—
 - (a) enter the land and take those steps, and
 - (b) recover from the person who is then the owner of the land any expenses reasonably incurred by them in doing so.
- (2) Where a listed building enforcement notice has been served in respect of a building—
 - (a) any expenses incurred by the owner or occupier of the building for the purpose of complying with it, and

5

- (b) any sums paid by the owner of the building under subsection (1) in respect of expenses incurred by the local planning authority in taking steps required by it, shall be deemed to be incurred or paid for the use and at the request of the person who carried out the works to which the notice relates.
- (3) Regulations under this Act may provide that all or any of the following sections of the Public Health Act 1936, namely—
- (a) section 276 (power of local authorities to sell materials removed in executing works under that Act subject to accounting for the proceeds of sale);
 - (b) section 289 (power to require the occupier of any premises to permit works to be executed by the owner of the premises);
 - (c) section 294 (limit on liability of persons holding premises as agents or trustees in respect of the expenses recoverable under that Act),
- shall apply, subject to such adaptations and modifications as may be specified in the regulations, in relation to any steps required to be taken by a listed building enforcement notice.
- (4) Regulations under subsection (3) applying all or any of section 289 of that Act may include adaptations and modifications for the purpose of giving the owner of land to which such a notice relates the right, as against all other persons interested in the land, to comply with the requirements of the notice.
- (5) Regulations under subsection (3) may also provide for the charging on the land on which the building stands of any expenses recoverable by a local planning authority under subsection (1).
- [(6) Any person who wilfully obstructs a person acting in the exercise of powers under subsection (1) shall be guilty of an offence and liable on summary conviction to a fine not exceeding level 3 on the standard scale.]
- (7) ...

NOTES

Commencement: 24 August 1990.
