Dear Sir or Madam

Town and Country Planning Acts 1990 (as amended)

4 Fitzroy Close, London, N6 6JT

An enquiry has been made to our team in relation to the above address and whether the development is being constructed in accordance with the planning permission ref: 2011/4859/P. Specifically in relation to the addition of new windows in the side elevations.

I would like to visit the property to ensure the development has been constructed in accordance with the approved scheme and if there are any new additions discuss any possible problems and how you can remedy the situation.

Please contact me within 7 days of the date of this letter on order to arrange a mutually convenient time for a site visit.

Please note that non compliance with my request can lead to Enforcement action. This may result in the service of an enforcement notice, failure to comply can lead to prosecution.

I look forward to hearing from you.

Yours sincerely
