1. In this Order -

"the Act" means the Town and Country Planning Act, 1947; "owner" means the owner in fee simple, either in possession or who has granted a lease or tenancy of which the unexpired portion is less than three years; a lessee (including a sub-lessee) or tenant in possession, the unexpired portion of whose lease or tenancy is three years or more; and a mortgagee in possession; and "the Minister" means the Minister of Housing and Local Government.

2. Subject to the provisions of this Order and to the exemptions specified in the Second Schedule hereto, no person shall, except with the consent of the authority and in accordance with the conditions, if any, imposed on such consent, cut down, top, lop, or wilfully destroy or cause or permit the cutting down, topping, lopping or wilful destruction of any tree specified in the First Schedule hereto or comprised in a group of trees or in a woodland therein specified, the position of which trees, groups of trees and woodlands is defined in the manner indicated in the said First Schedule on the map sealed with the Common Seal of the authority and marked "Map referred to in the County of London (Hampstead No. 13) Tree Preservation Order, 1957", which map and a certified copy thereof have been deposited for inspection the former at the offices of the authority and the latter at the offices of the Council of the Metropolitan Borough of Hampstead, which map shall, for the purpose of such definition as aforesaid, prevail where any ambiguity arises between it and the specification in the said First Schedule.

4. (1) Where an application for consent is made to the authority under this Order, the authority may grant such consent either unconditionally, or subject to such conditions (including conditions requiring the replacement of any tree by one or more trees on the site or in the immediate vicinity thereof), as the authority may think fit, or may refuse consent.

Provided that where the application relates to any woodland specified in the First Schedule to this Order the authority shall grant consent so far as accords with the principles of good forestry, except where, in the opinion of the authority, it is necessary in the interests of amenity to maintain the special character of the woodland or the woodland character of the area, and shall not impose conditions on such consent requiring replacement or replanting.

(2) The authority shall keep a register of all applications for consent under this Order containing information as to the nature of the application, the decision of the authority thereon, any compensation awarded in consequence of such decision and any directions as to replanting of woodlands, and every such register shall be available for inspection by the public at all reasonable hours.

5. Where the authority refuse consent under this Order or grant such consent subject to conditions they may when refusing or granting consent certify in respect of any trees for which they are so refusing or granting consent that they are satisfied

(b) in the case of trees other than trees comprised in woodlands, that the trees have an outstanding or special amenity value.

6. (1) Where consent is granted under this Order to fell any part of a woodland then unless -

(a) such consent is granted for the purpose of enabling development to be carried out in accordance with a permission to develop land under Part III of the Act, or

(b) the authority with the approval of the Minister dispense with replanting, the authority shall give to the owner of the land on which that part of the woodland is situated a direction in writing specifying the manner in which and the time within which he shall replant such land and where such a direction is given and the part is felled the owner shall subject to the provisions of this Order replant the said land in accordance with the direction.

8. Subject to the provisions of this Order any person who has suffered damage or has incurred expenditure in consequence of any refusal of consent under this Order or of any grant of any such consent subject to conditions, shall, if he makes a claim on the authority within the time and in the manner prescribed by this Order, be entitled to recover from the authority compensation in respect of such damage or expenditure.

Provided that no compensation shall be payable in respect of damage suffered or expenditure incurred by reason of such refusal or grant of consent in the case of any trees the subject of a certificate in accordance with Article 5 of this Order.

9. In assessing compensation payable under the last preceding Article or under Section 22 of the Act as applied by this Order account shall be taken of:-

(a) any compensation or contribution which has been paid in respect of the same trees under the terms of this or any other Tree Preservation Order under Section 28 of the Act or under the terms of any Interim Preservation Order made under Section 8 of the Town and Country Planning (Interim Development) Act, 1943, or any compensation which has been paid or which could have been claimed under any provision relating to the preservation of trees or protection of woodlands contained in an operative scheme under the Town and Country Planning Act, 1932, and

10. (1) A claim for compensation under this Order shall be in writing and shall be made by serving it on the authority such service to be effected by delivering the claim at the offices of the authority addressed to the Clerk thereof or by sending it by prepaid post so addressed.

(2) The time within which any such claim shall be made as aforesaid shall be a period of twelve months from the date of the decision of the authority, or of the Minister, as the case may be, or where an appeal has been made to the Minister against the decision of the authority, from the date of the decision of the Minister on the appeal.

(g) where immediately required for the purpose of carrying out development authorised by a planning permission granted on an application made under Part III of the Act, or deemed to have been so granted for any of the purposes of that Part,

Provisions of Part III of the Act as adapted and modified to apply to this Order.

15. (1) The Minister may give directions to the authority requiring that any application for consent under the Order, or all such applications of any class specified in the directions, shall be referred to the Minister instead of being dealt with by the authority, and any such application shall be so referred accordingly.

(2) Where an application for consent under the Order is referred to the Minister under this section, the provisions of Articles 4 and 5 of the Order shall apply in relation to the determination of the application by the Minister as they apply in relation to the determination of such applications by the Authority:

Provided that before determining any such application the Minister shall, if either the applicant or the authority so desire, afford to them an opportunity of appearing before and being heard by a person appointed by the Minister for the purpose.

(3) The decision of the Minister on all applications referred to him under this section shall be final.

16. (1) Where application is made to the authority for consent under the Order and that consent is refused by that authority or is granted by them subject to conditions or where any certificate or direction is given by the authority, then if the applicant is aggrieved by their decision on the application, or by any such certificate, or if the person directed is aggrieved by

the direction, the applicant or that person, as the case may be, may, by notice in writing served within 28 days from the receipt of notification of their decision, certificate or direction, or such longer period as the Minister may allow, appeal to the Minister.

(2) When an appeal is brought under this section from a decision certificate or direction of the authority, the Minister may allow or dismiss the appeal or may reverse or vary any part of the decision of the authority, whether or not the appeal relates to that part, or may cancel any certificate or cancel or vary any direction, and may deal with an application as if it had been made to him in the first instance, and the provisions of the last foregoing section shall apply, subject to any necessary modifications in relation to the determination of an application by the Minister on appeal under this section as they apply in relation to the determination by the Minister of an application referred to him under that section.

(3) Unless within two months from the date of receipt of an application for consent under the Order, or within such extended period as may at any time be agreed upon in writing between the applicant and the authority, the authority either:-

(a) give notice to the applicant of their decision on the application; or

(b) give notice to him that the application has been referred to the Minister in accordance with the directions given by him under the last foregoing section;

the provisions of sub-section (1) of this section shall apply in relation to the application as if the consent to which it relates had been refused by the authority, and as if the notification of their decision had been received by the applicant at the expiration of the said period of two months or the extended period agreed upon as aforesaid, as the case may be.

21. (1) Subject to the provisions of this section, if it appears to the authority that it is expedient that any consent under the Order granted on an application made in that behalf should be revoked or modified, they may by order revoke or modify the consent to such extent as appears to them to be expedient as aforesaid.

Provided that no such order shall take effect unless it is confirmed by the Minister, and the Minister may confirm any order submitted to him for the purpose either without modification or subject to such modifications as he considers expedient.

(2) Where an authority submit an order to the Minister for his confirmation under this Section, that authority shall furnish the Minister with a statement of their reason for making the order and shall serve notice of the making of the order on the owner of the land, and on any other person who in their opinion will be affected by the order, and if within the period of 28 days from the service thereof any person on whom the notice is served so requires, the Minister shall, before confirming the order, afford to him and to the authority an opportunity of appearing before and being heard by a person appointed by the Minister for that purpose.

(3) The power conferred by this section to revoke or modify a consent may be exercised at any time before the operations for which consent has been given have been completed.

Provided that the revocation or modification of consent shall not affect so much of those operations as has been carried out before the date on which the order was confirmed as aforesaid.

(4) Where a notice has been served in accordance with the provisions of sub-section (2) of this Section, no operations or further operations as the case may be, in pursuance of the consent granted, shall be carried out pending the decision of the Minister under sub-section (1) of this Section.

(2) For the purposes of this Section any expenditure incurred on matters preparatory to acting on the consent shall be deemed to be included in the expenditure incurred in carrying out that work, but except as aforesaid, no compensation shall be paid under this Section in respect of any work carried out in the period after the making of the Order and before the grant of consent which is revoked or modified, or in respect of any other loss or damage (not being loss or damage consisting of the depreciation in value of any interest in land) arising out of anything done or omitted to be done during that period.
