Your comments on the planning application: 1. There should not be any commercial activity after the proposed changes. The dwelling should only be used for residential purposes by the leaseholder/freeholder/tenants.

2. The noise must be kept to a minimum.

3. Our property is adjoining this building. What sort of insurance policy is in place if there is any structural damage caused to our building ? Who should we contact if there is any damages and what procedure is to be followed for making good our property if it gets damaged and how long will all this take ?
