As residents at 2 Tudor Close, NW3 4AB, Barbara and Arthur Brill JP, who would be affected by this application which we feel is totally out of order we had not be advised of it, to be able to OBJECT.

You will already have received a very concise explanation of it's impact on ourselves and other resident's by Mr. R.S. Pillai of 24,Tudor Close, NW3 4AG

It would add to further breaches of your Council HBA regulations. It would further impinge, if granted, by overlooking issues, amongst many others.

The rear access to the garden, given as a privilege, not as a right, would further encroach on to property that is not theirs.

The proposed works would impact on the amenities and access to our Garages, eg Ours is No14.

Please accept this email as an objection to the application.
