Your comments on the planning application: I am very concerned about one aspect of the proposed works on 51-53 Agar Grove.

My house is immediately behind, at the end of the adjoining road.

I have no issues with the rebuild of the main house, though hope they respect the character of the road and design appropriately.

I do take issue with the plan to build another 3 story set of apartments in the current garden. This garden joins to mine. The building will reduce the light on my roof terrace and in my garden considerably, also removing privacy to garden, roof terrace and house. I am concerned it will devalue the property.

Further - the gardens of these houses form the only greenery and therefore natural habitat in this conservation area.
