Name..... Dr. PETER WILLIAMSON

Address..... 4 LUPTON STREET NWS2HY

Planning application number..... 2014/3446/P

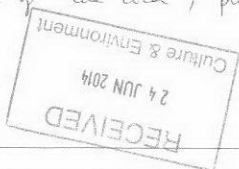

Planning application address..... 1st and 2nd floor flat, 15 RAVELEY ST. NWS2HY

I support the application (please state reasons below)

I object to the application (please state reasons below)

Your comments

We object to the creation of a mansard roof extension and 1st floor roof terrace on the grounds that this will create the effect of a 'goldfish bowl' in our property. It raises the roof line and our garden and ~~the~~ kitchen/dining area will be overlooked directly. It will also create further pressure on parking in an area with considerable difficulty already. There have been a number of mansard extensions recently, all of which are extremely ugly and destroy the value of the area, purely for profit and greed.

Please continue on extra sheets if you wish
