

Dear Sir/Madam,

My name is Miss Ming Yee Shiu and I live at First Floor Flat, 8 Crossfield Road, London NW3 4NS.

I am writing to register my objection to the retrospective planning application at Flat 2, 7 Crossfield Road.

The pergola is unsightly and built without any consideration for the appearance of the structure to the neighbourhood. It is an eyesore from my balcony at first floor level. The flat roof is not suitable for the structure. It should not have been built without permission and I agree with the comments made by C Brown and G Edwards and D Abrahams.

Kind regards,

Ming Yee Shiu
