

Subject: Objection to Application 2014/3138/P

Dear Seonaid Carr

I am writing to object to the planning application 2014/3138/P.

I live at Flat 7, Maxclif House, Tottenham Street, London W1T 2AG.

I support the objection that has already been submitted by the Maxclif House and Tottenham Street Residents Association which was based on a lack of privacy as a result of sight lines from the terraces of the proposed development.

It is also important that in any approval and subsequent negotiations the bulk of the development should not be greater than that of the present building and take away light and views from residents at the back of the development.

Yours sincerely

Michael Romberg
