Planning Ref: 2014/2482/P
Address: 104 Heath Street NW3
Description: New Balcony and Roof Extension
Case Officer: Neil Collins

Date: 27. 5. 2014

This large proposed roof terrace is at a high level and will consequently cause serious overlooking of neighbouring properties. Noise from such balconies, particularly in the summer also is extremely disruptive to neighbours who in this situation where houses and flats are close together suffer serious disturbance.

Unless the balcony together with possible access by means of doors are omitted we strongly urge refusal.
