Dear Mr Heather

Re: Application Ref: 2104/1477/p

I wish to object to the above application on the following grounds:

There is nothing 'minor' in this proposed amendment. The mansard roof extension is both out of scale within the character of the area and out of kilter aesthetically. It would be incongruous with the neighbouring buildings as would the dormer window. What is already a massive over-development leading to a fiasco is now looming to be even worse. Also the solar panels would be visible in this conservation area.

It seems to be accepted practice to keep coming back for more and more in this street's planning applications and this now needs to be resisted for the sake of the neighbourhood who have had their fill.

Yours sincerely
