SIR,

AS YOU MAY BE AWARE 8 NEWTON STREET BACKS ON TO THE APPLICANTS PREMISES & FLATS ON THE HIGH HOLBORN SIDE OF THE BUILDING OVERLOOK THE SERVICE YARD OF 199-206.

MY FLAT (16) IS ONE OF THE UNITS OVERLOOKING THE SERVICE YARD.

MY CONCERN IS THAT -

- ADDITIONAL PLANT SPACE
- RELOCATED SUB-STATION (ELECTRICITY?)
- RELOCATED REFUSE AREA
- PROVISION OF GENERATOR
- STAFF LOBBY AREA

WHICH ALL RESULT IN EXCESSIVE NOISE NUISANCE TO NEIGHBOURING PROPERTIES.

I THEREFORE OBJECT TO THE APPLICATION.
