Address..... 8A SWAINS LANE N66GS

Planning application number..... 2013/6674/P

Planning application address.....

I support the application (please state reasons below)

I object to the application (please state reasons below)

Your comments

I still believe 3 storey buildings
far too high; I live opposite &
my Light will be effected.

Parking is already a dreadful
problem.

Traffic is also a problem, with more
cars in your scheme, pollution
will be increased. As it is the
speed of vehicles is UNBELIEVABLE
