Planning application address... 46 AVENUE ROAD

I support the application (please state reasons below)

I object to the application (please state reasons below)

Your comments

objection on basement building principle

- ① Subsidence
- ② Excessive use of electricity → against  
ambitious policy of conservation.
- ③ Disturbance to neighbours
- ④ Affecting traffic flow on Avenue Road  
because of HGV vehicles moving earth
- ⑤ Unnecessary development - ruining the  
environment and community life of  
this part of CAMDEN.
- ⑥ Most of the houses in Avenue Road are  
not used in, they have become triable  
commercial not homes.
