I can endorse the points made by my colleague and the detailed complaints you have received from local residents.

Dear Jenna:

I have been contacted by residents in Hilltop Road and St. James' Mansions about their objections to the above planning applications.

I support the objections of all the residents in the area including WHGARA. This dispute is a long running dispute and the applicant continues to submit planning applications that constitute an overdevelopment of the site and do not comply with Camden or Government policies. I gather he was previously required to demolish an extensions that was deemed unlawful.

I hope all the objections submitted will be considered when reviewing these applications.
