

To Rachel Miller and also The Officer in Charge of Planning Applications.

Dear Sirs,

Please be so kind as to confirm that Planning Application Consultation letters have been sent to the occupants of Bellmoor, East Heath Road. This apartment building immediately adjoins the extension requested in Application 2014/1783/P, and will impact on many families living in the apartment. In casual conversation today with one long term resident of the building, he was totally unaware of the Application and had not received any notification from you. He and other residents of Bellmoor should correctly be asked for their comments. I hope he was the only one not to receive your letter in error.

I also note that no Notice has been posted on Whitestone Lane regarding this Application asking for comments. Please comment on this absence.

I have previously given you my specific comments on this application on your web on 14 April 2014 which I trust have been well received.

Thank you for your kind attention and response to my enquiry.

Regards  
Dr Lincoln Chin

Gangmoor  
Whitestone Lane  
London NW3 1EA
