Your comments on the planning application: Lancaster Grove is a special street in Camden. This planning application for four house on a smallish plot does not serve the environment and direct neighbours, It is totally unreasonable and only serves the greed of the developers It will impact the land , noise levels and parking.I very much rely on Camden council better judgement to refuse this application.

Eugenie Lee

I write to object strongly to the proposed revised plans for 22 Lancaster Grove. I live at 24 Lancaster Grove and understand that the result of the proposed development would be to shut out daylight from both my breakfast room and from the main window in the dining room area. This would make both rooms dark during daytime and would damage the amenities that I presently enjoy and reduce the value of my property. The revised plans do marginally reduce the amount of overshadowing in the original proposal but is still too large and too close to the windows of my house that are affected.

Oliver Samuel
24 Lancaster Grove, NW3 4PB
