Your comments on the planning application: The Sir Richard Steeles has been an ongoing pub business for a long, long time, and is a vital community pub.

If the change of use is allowed we will loose a considerable asset to the area and the history of the area... I cannot think why camden would even consider giving permission for change of use to a developer who just wants to make money without any consideration whatsoever to the well being of the local area.... I very, very much hope that sense will prevail here.....
